I've spent the last 6 years in digital advertising with a focus on SEM and client services. My SA360 experience started in 2020 when my agency was selected as a Google Premier Partner and transitioned all major accounts to the platform. Since then I've become one of the go-to SA360 operators on our team.

POSITIONS HELD

Paid Search Manager | Razorfish | Chicago, IL | 2020–Present

Run SA360 campaigns for home improvement and electronics retail clients. \$4M–\$8M annual spend range.
