PROFESSIONAL BACKGROUND

Seven years in digital media and account management. I started on the agency side in digital buying and moved client-side at Walgreens, where I've owned digital advertising strategy for the past 3 years. I use SA360 regularly and have strong retail domain knowledge. My client-facing experience is internal stakeholder management rather than agency-client.

EMPLOYMENT HISTORY

Senior Digital Marketing Manager | Walgreens Boots Alliance | Deerfield, IL | 2021–Present

Own paid search and display strategy for Walgreens.com. Manage SA360 and Google Ads with \$12M in annual spend. Work cross-functionally with e-commerce, pharmacy, and promotions teams. Present results to VP-level stakeholders quarterly.
