OBJECTIVE

Experienced digital advertising professional with 5 years of SA360 expertise seeking an Account Representative role with Google's Large Customer Sales team. Passionate about helping retail clients grow through data-driven search strategies.

EXPERIENCE

Digital Media Supervisor — Havas Media, Chicago IL (2021–Present)

Supervise paid search and digital media planning for 4 retail clients across Google, Meta, and programmatic channels. Primary SA360 operator for all search accounts; manage \$14M in annual Google spend. Conduct monthly performance reviews and develop QBR presentations delivered to VP-level client stakeholders. Coordinate cross-functionally with measurement, creative, and analytics teams.

Paid Search Manager — The Trade Desk Agency Solutions, Chicago IL (2019–2021)

Managed programmatic and search campaigns for direct-to-consumer retail brands. Developed expertise in SA360 alongside programmatic execution. Built relationships with agency clients and managed day-to-day communications.

Digital Advertising Analyst — Sprout Social, Chicago IL (2018–2019)

Supported paid search and social advertising for B2B clients. Assisted with Google Ads account management, reporting, and keyword optimization.

EDUCATION

B.S. Advertising, University of Illinois Urbana-Champaign, 2018

SKILLS

Search Ads 360, Google Ads, DV360, The Trade Desk, Meta Ads, Google Analytics 4, Looker Studio, Tableau, Excel, SQL (intermediate)
