EXPERIENCE

Account Manager, Digital Media | Horizon Media | Chicago, IL | 2020–Present

Manage agency-client relationships for 4 consumer brand accounts in digital advertising. Oversee integrated media plans including paid search (SA360), social, and display. Lead weekly client status meetings and QBRs. Coordinate between internal search, social, and analytics specialists. Total managed spend ~\$10M/year.

My SA360 experience is at the strategic planning and reporting level — I rely on specialists for technical campaign management but review SA360 performance data daily and translate it for client audiences.
